We hope this helps give both practical items and some of our rational why. We in Enhance Missions want you to be fully successful in seeing maximum Kingdom fruit through your ministry on our trips. Right-sizing everything for packing and planning will help! These policies also help ensure that while we are guests in host churches and partners with other ministries on their 'turf,' that we adorn the Gospel and these ministries. Something as simple as clothing won't add much of anything to Kingdom effectiveness but it has the potential to detract from it greatly. Thank you for your understanding and alignment with everything here.
